2. Grammar & Language Mechanics Rulebook

Teacher's Rule: Abstract vs. Concrete Nouns

- **Concrete Nouns = VISIBLE / SENSORY:** Objects, people, and things you can see, hear, smell, taste, or touch with your physical body (e.g., *money, friend, book, puppy, playground, teacher, kitten*).
- **Abstract Nouns = INVISIBLE / EMOTIONS & IDEAS:** Concepts, qualities, or feelings you can feel in your heart/mind but cannot physically touch (e.g., *hope, peace, friendship, love, joy, truth, childhood, kindness*).

Pronoun Antecedents (Who/What does it refer to?)

Pronouns replace nouns to avoid repetition. Always track the subject:

- *Oliver* worked... **He** was tired. → **He = Oliver**
- *Isabella* visited... **She** liked the exhibit. → **She = Isabella**
- Dad mopped the *floor*... spilled milk on **it**. → **it = floor**
- *Carter and Jayce* are singers... **They** performed. → **They = Carter and Jayce**

Plural Spelling Rules ("More Than One")

- Add **-es** to nouns ending in *ch, sh, s, ss, x, z*:
church → **churches** | inch → **inches** | dish → **dishes** | brush → **brushes** |
dress → **dresses** | class → **classes** | fox → **foxes** | ax → **axes**
- Consonant + y: drop the y and add **-ies**:
lady → **ladies** (Never write *ladys* or *lady's* for plural!)

Conventions & Capitalization Rules

- **Polite Subject Pronouns:** Always name the other person first and use **I** (not *me*) when you are the subject: "*Chloe and I like...*", "*Dad and I went...*", "*Zoe and I watched...*".
- **Book / Movie Titles:** Capitalize the first word and all key nouns/adjectives/verbs: *Mummies in the Morning*, *Diary of a Wimpy Kid: Hard Luck*, *The Lego Ideas Book*.

5. Teacher Guide, Full Answer Key & Error Diagnosis

Daily Review Answer Key with Common Pitfall Analysis

Monday:

- Pronoun: "He" = **Oliver**
- Edited Sentence: "**Tomorrow, Mom will fix lunch for the ladies in her book club.**"

Student Error Analysis: On the original paper, the student omitted the verb "fix" ("Mom will lunch") and misspelled "ladies" as "ladys". Remind students: (1) Sentences must have an action verb; (2) Change y to *ies* for plurals; never use apostrophes for simple plurals.

- Plurals: **churches, inches**
- Book Title: **Mummies in the Morning**
- Noun Sort: Abstract = **friendship, love** | Concrete = **book, puppy**

Tuesday:

- Pronoun: "She" = **Isabella**
- Edited Sentence: "**Chloe and I like to try on dresses at Walmart.**"

Student Error Analysis: "dress's" was incorrectly written with an apostrophe. Apostrophes show possession (ownership), whereas "-es" makes a word plural. "Me and chloe likes" must become "Chloe and I like".

- Plurals: **dishes, brushes**
- Book Title: **Dinosaurs at Dark** (or *Dinosaurs Before Dark*)
- Noun Sort: Abstract = **hope, peace** | Concrete = **money, cousin**
**Note: The student reversed money and hope on the worksheet. Money can be touched/held (concrete); hope cannot (abstract).*

Wednesday:

- Pronoun: "it" = **the floor**
- Edited Sentence: "**Dad and I went fishing last weekend.**"

Student Error Analysis: "week end" is a compound word ("weekend"). "goes" must change to the past tense verb "went" because the action occurred "last weekend". "me and dad" becomes "Dad and I".

- Plurals: **dresses, classes**
- Book Title: **The Lego Ideas Book** (or *The LEGO Ideas Book*)
- Noun Sort: Abstract = **joy, truth** | Concrete = **playground, friend**

Thursday:

- Pronoun: "They" = **Carter and Jayce**
- Edited Sentence: "**Zoe and I watched the movie, Samantha: An American Girl Holiday.**"

Student Error Analysis: The student put "kitten" under abstract and "kindness" under concrete. Remember: a kitten is a furry animal you can physically touch (concrete); kindness is a quality/feeling (abstract).

- Plurals: **foxes, axes**
- Book Title: **Diary of a Wimpy Kid: Hard Luck**
- Noun Sort: Abstract = **kindness, childhood** | Concrete = **teacher, kitten**
